Sacrament of Anointing of the Sick

If you are elderly and growing weak, or are seriously ill, you may request a sacrament of Anointing of the sick. That doesn't mean that you will die because the priest will give you anointing. We all die, eventually, but not because of the anointing. The anointing helps us to live well, strengthened by the grace of God with His peace, healing of the heart and at times even of body. The Sacrament may be celebrated at the church or at the office. But if you can't come for health reasons, the priest will be happy to visit you. Please call the office or send an email to book an appointment.

Stewardship Reflection: 3rd Sunday in Ordinary Time

1st Reading: Jonah 3.1-5, 10

2nd Reading: Corinthians 7.29-31

Gospel: Mark 1.14-20 – Jesus Calls the First Disciples

Fishing for Christ Mk 1.14-20

“Come follow me and I will make you fishers of people.” Just as Jesus called his first disciples 2000 years ago, he continues to call us to follow him. As we reflect on this beautiful Gospel account, let us focus on one particular aspect, the fact that Jesus uses the image of being a “fisher.” It is most interesting to note that as he is calling actual fishermen, he uses their own language.

There is a deep spiritual insight that can be gleaned from this, namely, that Christ uses what we bring to the table to serve Him and the Church. While fishing may seem unrelated to being an apostle, Jesus does not downplay their past experience. He invites them to bring all of the gifts and talents that they’ve received from God, but instead of using it for their own gain, to use it to gain souls for Christ.

So too as stewards, we can sometimes think that God can only use us if we’re already perfect disciples, or have degrees in theology or extensive training in ministry. However, the Lord wants us to bring all of our experiences, even our personal and professional backgrounds to serve Him. If we have backgrounds in finance or accounting, we can use that to help assist various parish ministries. Likewise, if we have experience as a teacher, we can utilize those gifts through various catechist or RCIA groups. This is the heart of stewardship. To recognize that we all bring our own particular gifts that can be used to serve Christ. Let us reflect on our own gifts and graciously heed the call to become “fishers of people,” each in our own way.

Summary

As Jesus calls the apostles, He uses their own language by inviting them to be “fishers of people.” There is a deep spiritual insight that can be gleaned from this, namely, that Christ uses what we bring to the table to serve Him and the Church. This is the heart of stewardship, so let us reflect on our own gifts and graciously heed the call of Christ to become “fishers of people,” each in our own way.
