"Virtual Mass is not a substitute for in-person Mass," is a brief and clear explanation of why it is important for parishioners actually to attend Mass when we re-open, rather than continue to participate in a virtual mass, of course, if possible, (<http://bit.ly/InPersonMass>).

Stewardship Reflection:
11th Sunday in Ordinary Time

1st Reading: Ezekiel 17.22-24

2nd Reading: 2 Corinthians 5.6-10

Gospel: Mark 4.26-34 – *The Parable of the Mustard Seed*

Making the Church a Home

In today's readings we hear about small things having large impacts. In the Gospel, Jesus says that the kingdom of heaven "is like a mustard seed, which, when sown upon the ground is the smallest of all the seeds on earth; yet when it is sown it grows up and becomes the greatest of all shrubs, and puts forth large branches so that the birds of the air can make nests in its shade."

The mustard seed in this parable represents the Gospel that Jesus came to proclaim. It started with just a small handful of people but now, 2000 years later, has spread to all the corners of the world. The birds that come to find refuge in the tree represents all of us who come to find rest and shelter in the Gospel and the Church.

As stewards, we should play our part in helping the tree continue to grow through the gift of our time and talents. We should seek ways to help spread the Gospel message in our parish, whether it be through assisting at liturgies, helping with catechesis or serving the poor in our community. We should also spread the message that God desires all of us, even those who have fallen away from their faith, to find healing, safety and comfort in the Church. Let us be committed to making the Church a home for all who seek Christ.

Summary

In today's Gospel we hear about the parable of the mustard seed in which Jesus explains that the tiniest seed can grow into the largest tree that houses many birds of the air. The mustard seed represents the Gospel message that began with a few people 2000 years ago and has now spread all over the world. As stewards, we should play our part in helping the tree continue to grow through the gift of our time and talents.
